

CONSERVATION WALKS

This mapboard indicates access granted by the landowner and funded by the Department of Environment, Food and Rural Affairs' Countryside Stewardship Scheme. The permissive footpath, links to the public footpath network at the corners of this old orchard.

This orchard is a fine example of the Traditional Standard tree form and one of the few remaining in the area. It is managed by the farmer under the Stewardship Scheme to retain its historic landscape character and provide a range of habitats for wildlife. Occasional dead trees have been left to benefit species such as woodpeckers and beetles.

The trees are mainly of the culinary variety Bramley's Seedling with some trees of the varieties Lord Derby, Worcester Pearmain, Tydeman's Early Worcester, Laxton's Fortune, Howgate Wonder and American Mother.

You are welcome to stroll, sit or picnic as you pass through the orchard and enjoy its timeless tranquillity.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Country Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends in September 2013.
