

PERMISSIVE ACCESS

This permissive path links the 1066 Way to other local footpaths and means that it is possible using PRow to walk from Three Oaks to Seddlescombe along the River Brede and the Sailors Stream. The land is managed for its important ditch flora and invertebrates; it is also an important habitat for wintering and summer breeding waders and wildfowl.

Please keep dogs on their leads at all times. Thank you.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes as managed by Natural England, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Countryside Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends on 30th September 2016.

For access related queries please call the Environmental Stewardship Permissive Access Team on 0300 060 1114 (Office Hours).
